

4 Keys to Hearing God :

Mark V has taught on 6 continents, established Bible schools for hundreds of churches, and is well known for his book on the 4 keys.

He gives you a money back guarantee that if you use these 4 keys, you WILL hear from God.

Hearing from God means “spontaneous thoughts that light upon your mind while your eyes are fixed on Jesus”

Logos turns into Rhema as God communicates.

70 times the word Rhema is used in the New Testament, 67 times it is “spoken” and 3 are supernatural events.

Hab 2:1,2 – While standing guard on the watchtower, I waited for the LORD’s answer, before explaining the reason for my complaint.² Then the LORD told me :“I will give you my message in the form of a vision. Write it clearly enough to be read at a glance

4 Keys:

1. Quiet yourself
2. Seek vision, keep watch, fix your eyes on Jesus
3. Expect Spontaneity, flowing thoughts
4. Journal, write it down.

Reason (thinking) comes from the left brain. It forgets 90% of what you know.

Intuition (seeing vision) right brained forgets nothing. This is where we hear from God.

Jesus used illustrated picture stories (parables) so we would see.

Not enough Time? To pray or hear? – we should hear AUTOMATICALLY in car or shower...be still. Don’t brush off spontaneous flowing thoughts.

Don’t honor reason and logic.

God speaks heart to heart, deep calls to deep.

People often fear intimacy with God, but He enjoys (has fun) spending time with us. He likes to hang out and be friends.
