

ED COLE Maximized Manhood

1. 2 Tim 2:2 – teach other men what you learn
2. Transposition – separation is not isolation, humility is not inferiority
3. God does not bless talent he blesses character
4. Don't pitch your altar and build your tent
(is your agenda / possessions more worth the investment than meeting with God)
5. The one quality god is looking for is faithfulness –
6. Never disagree with your wife in front of your children, you lose authority.
7. Agreement brings power
8. We're coming out of the era of the mediocre men
9. We want authority without accountability
10. When your wife holds you accountable, you think she's nagging
11. Churches want the blessing of self-edification.
12. It is immoral to receive a blessing without reaching others.
13. We judge other by what they do but we judge ourselves by our intentions
14. God always works according to a pattern and based on a principle
15. We come short of Gods best because we wear the pattern of life that someone else created for us.
16. We are intimidated by philosophies of men that rationalize and justify failure.

VIDEO #2

1. every time we make a law, we break it
 2. God gives grace to sinners and glory to saints, it's time to grow up from living from grace to grace
 3. all we do in life is enter and leave, even relationships
 4. If our friend wont grow and change, we often stay with them and miss out on true fellowship of like faith
 5. Crisis is necessary for growth. In marriage, business, etc
 6. Crisis is necessary to go from the transient to the permanent, as in the life of Joseph.
-

VIDEO # 3

1. Communication is different for men and women, headlines and fine print.
 2. The way a man should treat a woman is with gentleness.
 3. Men want spontaneous sex. They should plan for it.
 4. Men are stimulated by sight, women by touch and feeling
 5. Women want to be pursued.
 6. Men should learn how to treat his woman.
 7. God calls us to love not lust our wife.
 8. Real manhood can be best expressed by gentleness.
-

VIDEO #4

1. We must repent if we don't pray and read Gods word with our family
 2. We subcontract / export our duty to professionals.
 3. A prophet is different from an evangelist.
 4. Being pro men is not being anti women.
 5. We need to stop being wimps and man up.
 6. We've moved from permissive, to passivity, to compromise to cowardice.
-

Video #5

1. We need Gods Favor, Wisdom, and Courage
2. Wisdom brings long life, riches, honor, pleasure, and peace
3. Courage to face reality, admit our needs, and make decisions
4. A woman wants strength and decisiveness.
5. We need to be the Priest, Prophet and King of our home.
6. We need to guide guard, and govern.
7. If change doesn't come voluntarily from the top, it will come from the bottom by way of revolution.
