

C Stanley – Discernment –

1. The ability to see things the way God sees them
2. Between right and wrong, better and best, truth and error, wise and foolish, selfish or Godly
3. About yourself! Why you think and act the way you do
4. **Heb 5:12-14** – children to maturity, milk to meat (grow into discernment)
5. Seek Gods revelation of matters at hand
6. Recognize dependence on and submit to the Holy Spirit
7. The Holy Spirit will let us see and hear
8. **Acts 1:1-8**...wait, tarry and The Holy Spirit will speak
9. **1 Cor 2** (whole chapter)– make clear, give understanding
10. We cant even understand redemption without the Holy Spirit
11. Be willing and diligent to study Gods word in and out top to bottom
12. **Heb 4:12** – the word is active and alive (the basis and foundation of all discernment)
