It's 1 am Eastern, and In the last 36 hours:

- my church (the UMC) has decided not to move forward on issues of sexuality
- I've been asked to comment on that by my local paper
- my local church will most likely leave the denomination
- my Wesley foundation students are distraught
- I've withdrawn my name from consideration for ordination
- my local church staff is splintering beyond repair
- my best friend came out as bisexual
- my other best friend's mother died
- my most faithful volunteer's brother attempted suicide

And that's Monday. For f\*\*\*'s sake, someone give me a break and a bottle of whiskey. I'm close to the ministry edge, I'm ready to give up on the church, and I'm in desperate need of prayer and encouragement. I've been at this for 10 years and I've never had a day like today. I've never done this before, but help. Somebody.

### Dr. James Dobson Reacts to Senate's Failure to Pass the Born-Alive Abortion Survivors Protection Act

-----

Yesterday, Feb. 25, 2019, the U.S. Senate voted on the Born-Alive Abortion Survivors Protection Act sponsored by Senator Ben Sasse (R., Neb.). Senate Democrats blocked the Republican-backed bill 53-44, leaving it seven votes short of the 60-vote threshold required to overcome a legislative filibuster. The measure received support from three Democrats (Casey – PA, Manchin – WV, and Jones – AL) while three Republicans did not vote (Cramer – ND, Murkowski – AK, Tim Scott – SC). Scott and Cramer's absences were reportedly due to travel delays. Senate bill S.311 would have guaranteed that any child born alive in the context of an abortion would be provided full legal protection as a living human being and, therefore, receive medical treatment to save the child's life. There is currently no federal law which requires medical professionals to provide

How about not having to right to judge others? Isn't that up to your god, not you?

**Jason Showalter** who is this directed to ? My opinion is a church is god's house is it not? So if a homosexual feels called to serve they should be able to . Did god create us in his image ? If so he created people who would prefer to be with the same sex . Choose your sins . How many adulterers are preaching from the pulpit ? Hmm 🙄

Deon Randle love is mentioned 310 times in the bible. Depending on what translation you cling to, homosexual is mentioned 6 times. Which do you think God would rather you concentrate on?

Samual Helms I 100% disagree. I'd ask which version you're referring to, but does it matter? People are either good or bad. Nothing should matter after whether they are a decent human being. Gay, straight, black, white, redneck, or any other. We're all people trying to get by
