

**Your name shall be glorified  
Let it be known that you are God  
Here on earth, your will shall be  
Done the same as in heaven  
Every day give us our daily needs  
Forgive us what we owe,  
as we forgive others of what they have done  
Don't lead us to trials  
But rescue us from evil  
You are God  
The strength  
And forever Salvation  
AMEN**
