

## **Portrait of a Godly man - Tony Evans**

1. we are raising a generation of passive men
2. we cant gain control through love so we resort to violence
3. real men are men who initiate responsibility in the home and in the culture
4. American men have become sissy-fied.
5. We have been lied to and misled from Hollywood (action adventure or sitcoms)
6. Women now run the home, they are left with responsibility to lead
7. 83% of all school teachers are women
8. Ladies are running our churches, they are the ones teaching Sunday school
9. A woman should have a dynamic relationship with children but not to replace the influence of the man. Boys have been feminized
10. A philosophical bent that excludes proper masculinity
11. Mis definitions of manhood include “machismo” (Rambo, dirty harry, superman)
12. When we try to be a superhero, we fail. Just be a godly man.
13. This persona is insensitive, loss of conscience , they don’t care
14. Young men don’t think prison is such a bad deal. 3 hots and a cot, everything provided for you.
15. Racism, economics, are symptoms. we need a moral frame of reference. Symptoms become excuses.
16. Fathers must step up daily, just be present.
17. The NEW thing is the feminized man who doesn’t have the guts to lead.
18. A sissy can get a girl pregnant but not step up to raise the kid.
19. Men wont lead so they resort to violence in order to gain control. They bully and beat a women into submission.
20. We are the last generation before our culture is lost.
