

Jezebel Quick reference guide –

1 Kings 16:29- 18:4 – 19:2-5

Rev 2:20-23

Identify Jezebel spirit characteristics –

1. Want title and position, loves to be praised
2. Refuses correction
3. Often has great personality, charm, likeable
4. Wants people to caudle them when wounded
5. Seeks out other wounded people
6. Accuses others of their own improper behavior, gossip
7. Insecure, full of Pride
8. Manipulates people who are weak, unsuspecting
9. Tries to manipulate leaders
10. Creates division
11. Shifts blame or responsibility
12. Feels superior, more intelligent, enlightened.
13. Passive Aggressive *

(two faced, underhanded, ulterior motives. aggressive toward others (leaders) in an indirect, passive, cowardly way)

How to deal with it:

1. Confront it, call it out, document it.
 2. Do not tolerate it, or try to heal it.
 3. Rebuke it, remove it.
- This always causes problems in a group. People will leave when there is conflict, but those who stay will mature.
