

**It is personally written to us.** God sent us 31,173 texts (verses), not to bore us but, to reveal Himself to us because He loves us deeply. It was written in a span of 1600 years through 40 authors, 3 continents and 3 languages and still managed to have a uniformity throughout its accounts.

**It is proven to be supernatural.** There were 333 prophecies of Christ mentioned hundreds years before He ever came to earth. 150 of them occurred in the 6 hours he hung on the cross. The probability of just 8 out of 333 coming to pass is equivalent to covering the state of TX two feet deep in silver dollars, one of which has a special mark on it, with only one chance to pick the right one.

**History, Science and Geography confirms it.** Scientists of the day believed that the Earth was flat while the Bible said it was round (Isaiah 40:22). Over 20 places surrounding Jerusalem, Noah's Ark, Hezekiah's Tunnel, the walls of Jericho, the ruins of Nineveh, the dead sea scrolls, over 53 People in the Bible Confirmed Archaeologically that were all found.

**Personal experience brings it to life.** Many people have had their life changed through the Scriptures. The Bible brings success and victory. The Scripture refers to itself as: a light that reveals and directs (Psalm 119:105), water that cleanses (Ephesians 5:25-27) , a seed that brings fruitfulness (Luke 8:4-15), a fire that purges (Jeremiah 23:29), a hammer that breaks and honey that heals (Psalm 19:7-11). God exalted His Word above His name. His word never changes and it endures forever.
