

THE WORD OF GOD is NOT !

To be trifled with - or to be ignored

To be added to - or taken away from

To be rationalized from a carnal prideful intellect

To be compared to man-made religious or philosophical manuscripts

To be displayed and left on a shelf like a trophy

Something read at church and then left out of our daily routine

Ancient, irrelevant, and disconnected

Hard to understand and hard to find meaning

Made up stories of far removed cultures

Karl Marx's opiate for the masses

Hitler's justification for a supreme race

At the popes discretion to select rituals and ceremonies

The protestants battering ram to condemn a lost world

Your excuse to be puffed up with religious information

The democrats or republicans platform to further political agendas

A humanist guide to attain happiness

A never ending, boring, lifeless spiritual storybook
