

## Conspiracy Theories and the Bible?

Conspiracy Defined - a secret plan made by a group to do something unlawful or harmful.

Impact can be seen on relationships, emotional and physical health, and social well being. Hollywood portrays Christians to be simpletons, ignorant, and Naive, possibly mental. Liberal politics hold “science” to be supreme over biblical faith.

4 types -

1. Extreme mental illness / paranoia -
2. Negative emotional, pathological, non rational thinking -
3. Commonly believed -
4. Biblically motivated or interpreted -

- 
1. Schizophrenic voices telling someone to murder, commit suicide, poison, or bomb the evil people in society.
  2. Flat earth, never landed on the moon, big brother watching through my TV. Holocaust never happened, Bilderberg conference, Illuminati
  3. Global warming is a hoax, secret service violates privacy laws, watergate political corruption, Obama was not born in the USA, vaccines cause autism, Area 51,
  4. The earth will come to an end after tribulation and Armageddon, the book of Revelation is true, the world doesn't support conservative Biblical ideals or convictions. The Pharisees conspired against Jesus.
