Kingdoms are often gaged by:

1. Wealth, . 2 Power (military, political), . 3 Notoriety or popularity

Jesus in all his Glory... being deity... Born in a barn, laid in a food trough.

Died without any possessions \$0 net worth!

Could not afford his own burial plot.

Never commanded an army, Was despised and rejected

He redefined ROYALTY – no other king ever healed the sick or raised the dead! Let alone died in place of his guilty subjects!

He never demanded his followers to be loyal followers of his ambitions on earth. Only to His teaching after he was gone.

This Kingdom is for your benefit, NOT HIS !

He did not need the accolades of men, he already had the worship of angels.

He did not need to compensate for insecurity by showing off material possessions, he taught us to give our time talent and treasure away.

Don't lay up treasures on this earth!
