

## **Things that have changed...**

Living the good life didn't cost a lot in 1950, at least at first glance.

The average home was worth \$7,354, / in 2020 its averaging \$250,000

a new Volkswagen Beetle could be yours for \$1,280, / now ave car \$38,000

and tuition at the University of Pennsylvania was \$600. Now it is \$53,000

Gas in 1950 was .25 per gallon, 2 movie tickets for \$1, or 6 packs of cigs for \$1

All that sounds like a bargain until you realize the average family took home just \$4,237 per year.

Minimum wage was 75 cents an hour, and those with jobs in industries like manufacturing, finance, and government had an average hourly wage of \$1.50.

## **2,000 years ago, Christians believed... and still do today!**

1. Jesus was God in flesh, born of a virgin, lived a sinless life, died a sacrificial death, raised from the dead after 3 days.
  2. Sin separates people from God and has eternal consequences.
  3. Sin is defined by the letter of the OT law, and condition of the heart.
  4. We can not live Holy by human efforts.
  5. A true relationship with God includes repentance, worship, and obedience to Gods word.
