

His Kingdom appeals to every kind of person, meets every need.

1. Sociable –

Go out into the highways and hedges, compel people to come in,
so that His house will be full

2. Introverted – behind the scenes

He calls us to find a quiet place, go into a prayer closet, spend time w Him

3. Thinker –

Wisdom calls out, pursue wisdom and insight

4. Lover – care giver, nurturer

I long to gather you together like a hen gathers her chicks under her wing

5. Explorer – ADHD, curious, thrill seeker

Like a treasure hidden in a field

6. Builder / doer –

I go to prepare a place for you.

7. Partiers?

Jesus partied (had fun, enjoyed people's company, reunited with friends)

at wedding receptions, banquets,

The Kingdom of God Is a Party (book by Tony Campolo) is an attitude-changing, spirit-renewing examination of the feeling behind our faith. It shows why Christians should be the people who create celebrations wherever they are placed. Whether by words, deeds, or mere presence, Christians can turn life into a festive occasion that will attract the needy, lonely, sick, and oppressed into the arms of a loving Heavenly Father. Whether at church, work, school, or home, it's time for Christians to get into the party spirit!
