

What makes people so skeptical of the “Holy Spirit”

1. Unbelief or lack of understanding.

Skeptical of tongues? Or a genuine relationship with the Holy Spirit?

2. Extracurricular or unbiblical “accessorizing”. (Behavior practiced at most Pentecostal churches)

a. slain in the spirit

b. “absolute” faith healing (promised? Entitled? Provided in the atonement?)

c. manufactured manifest presence based on emotion and feeling.

3. Hypocrisy of practitioners (over spiritualizing and lack of daily fruit)

4. The “elite” class of distinction (those who have it and those who don't)
